

Directions for Use: Adults: Take one capsule three times a day with meals.

A bulk producing laxative fibre supplement for the maintenance of regularity. May aid or assist weight loss by suppression of appetite as part of a kilojoule/calorie controlled eating plan. Drink plenty of water.

Chitosan is derived from seafood. Take Herbalife Chitosan Fibre Complex® at least one hour after any medication to avoid any reduction in effect of that medication.

If symptoms persist, seek medical advice.

**KEEP OUT OF REACH OF CHILDREN.**

Herbalife products are available only through Herbalife Independent Distributors.

Recycle this bottle.

## CHITOSAN FIBRE COMPLEX®

Each capsule contains: Chitosan 330 mg / Trigonella Foenum  
graecum (Fenugreek) powder 110 mg  
AUST L 94494

chitosan

90 CAPSULES

Unlike other nutrients, dietary fibre is not digested and absorbed in the small intestine. Instead, it passes through the gastrointestinal tract, some of it undergoing change in the larger intestine and in so doing it helps promote healthy bowel function.

Do not use if the inner foil liner and/or the outer seal around the cap is missing or broken.

STORE BELOW 25 °C
