

MultiVitamin Exfoliating Scrub

GENTLY POLISHES AWAY ROUGH AND DULL SKIN

KEY BENEFITS

- Jojoba and beeswax beads smooth and polish
- Raspberry and strawberry seeds scrub away dead skin
- Skin feels soft, smooth and clean

NouriFusion™ MultiVitamin Exfoliating Scrub helps you achieve a healthier, more vibrant complexion. As you age your skin cell turnover begins to slow, resulting in a dull complexion. Exfoliation helps remove dry and dead skin cells that can result in ashy, mottled-looking skin.

MultiVitamin Exfoliating Scrub gently but thoroughly sloughs off older cells, allowing fresh, new skin to emerge. Formulated with skin-enhancing antioxidant vitamins A, C and E, MultiVitamin Exfoliating Scrub provides basic nutrition for your skin.

DISCUSSION POINTS

- ACE for your face: MultiVitamin Exfoliating Scrub is made with antioxidant vitamins A, C and E.
- Seeds & beads: Strawberry and raspberry seeds gently exfoliate, while jojoba and beeswax polish the skin, leaving a soft, clear-looking complexion.

- Linked Papain C-MPB: Derived from papaya, this enzyme helps exfoliate dead cells from the skin's surface and enhances skin smoothness.
- Combine with other products: MultiVitamin Exfoliating Scrub can be used with all other NouriFusion™ MultiVitamin skin care products.
- Use MultiVitamin Exfoliating Scrub two to three times a week, or as needed.

DID YOU KNOW?

The colourful red seeds in MultiVitamin Exfoliating Scrub come from strawberries and raspberries. These small seeds provide a gentle, natural means of exfoliating the skin. In addition, strawberry and raspberry seeds contain ellagic acid, a naturally-occurring antioxidant.

FAST FACTS

- Gentle, revitalising facial scrub removes dead skin cells.
- Exfoliant polishes skin leaving behind a clear complexion.
- Skin feels soft, smooth, clean and renewed.
- Suitable for all skin types
