

Herbalifeline®

*Taking Nutrition to Heart™*

With Omega-3 Fatty Acids, EPA & DHA

Dietary Supplement

AUST L 139971

90 SOFTGEL CAPSULES

**Herbalifeline®** This blend of highly refined marine lipids is a natural source of the essential omega-3 fatty acids eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA). Omega-3 fatty acids help to maintain a healthy cardiovascular system by maintaining cholesterol and triglyceride levels already within a normal range.

**DIRECTIONS FOR USE:** Take one to two softgel capsules three times a day preferably with meals.

**NOTICE:** This product is not intended for use by children, pregnant or lactating women. Individuals who are using blood thinning medications should consult with their physician about the use of fish oil supplements. Do not use if inner foil liner is missing or broken. Bottle sealed under cap for your protection.

Herbalife products are available only through Herbalife Independent Distributors.
