

## VIDEOS FOR YOU AND YOUR TEAM!

Available 24/7 around your schedule, log-on to MyHerbalife.com, navigate to HBN and open the library of video programs produced for you and your team. Most programs are available in Flash for MAC and in Windows Media Player for PC.

The **Herbalife Broadband Network**, also known as HBN, has been producing high quality award winning programs for the past 10 years. Each program is designed to help you build your business and take the Herbalife brand around the entire world. You want to take advantage of this great tool and get connected with your entire team.

A “**must watch**” every month is the **Kickoff Show**. This program will give you all the details and announcements to help you build your 30, 60 and 90 day plans!
