

HBN ON-LINE = VIDEOS FOR YOU AND YOUR TEAM!

Available 24/7 around your schedule, log-on to MyHerbalife.com, navigate to HBN and open the library of video programs designed for you and your team. Programs are available in Flash for MAC and in Windows Media Player for PC.

For over 10 years now, the **Herbalife Broadband Network**, also known as HBN, has been producing high quality award winning programs. Each program is designed to help you build your business and take the Herbalife brand around the entire world. **A must for the month is the "Kickoff Show"**. This program will give you the details and announcements for you to build your 30, 60 and 90 day plans!
