

Thermojetics® Ultimate Gold Program

The ultimate choice for carb-controlled weight loss*

If you struggle with carb cravings, hard-to-lose pounds and cellulite, this is the program for you. It combines the power of Cellular Nutrition® with plenty of protein-rich snacks and five weight-loss Accelerators to help you break through every major dieters' challenge and achieve your weight-loss goal.*

HIGHLIGHTS OF THE PROGRAM:

Our Thermojetics® HPLC Shake Mix and Formula 2 and Formula 3 provide Cellular Nutrition® for improved health and effective weight management.*

- **Thermojetics® HPLC Shake Mix.** A meal-replacement shake with 15 grams of protein, plus essential nutrients, to leave you feeling satisfied and energized. Choose from Vanilla and Chocolate flavors.
- **Formula 2 Multivitamin-Mineral & Herbal Tablets.** Help ensure your essential nutrient needs as you shed pounds.
- **Formula 3 Cellular Activator®.** Supports the weight-loss process by improving nutrient assimilation and cellular-energy production.*

DRINKS/MINI MEALS/SNACKS:

Delicious, guilt-free drinks/mini-meals/snacks are what you can look forward to when you're following the Thermojetics® Gold Weight-Management Program. Enjoy four to five HPLC products a day and one meal or eat three to four of the products and two meals. These great-tasting products are both delicious and nutritious, and all of them have little to no net-impact carbohydrates so you can be sure you're not filling up on high-carbohydrate foods that may slow your weight loss down.

- **Thermojetics® HPLC Drink Mix.** A refreshing fruity drink with 15 grams of hunger-satisfying protein.
- **Thermojetics® HPLC Bar.** A deliciously chewy protein bar with 12 grams of protein that satisfies your appetite and taste buds, keeping you on track for successful weight loss.
- **Thermojetics® HPLC Soup Mix.** Packed with flavor and 15 grams of protein, yet low in calories and fat, this Cream of Chicken soup makes the perfect mini-meal when you're on the go.

ACCELERATORS:

- **Total Control™.** Includes an advanced combination of herbs, such as citrus aurantium and DL-phenylalanine to promote thermogenesis, block cravings and boost energy.*
- **Thermo-Bond®.** Includes natural plant fibers which combine with your food intake to reduce fat absorption and help you feel fuller.*
- **Thermojetics® Herbal Concentrate.** A delicious, invigorating herbal beverage with the thermogenic and antioxidant benefits of green tea to enhance the weight-loss process.
- **Aminogen®.** Helps digest protein foods to reduce bloating and support the weight-loss process.*
- **Cell-U-Loss®.** Tackles the problem of dimpled skin at its root by reducing fluid accumulation.*
