

Nature's Mirror® Hydrating Mask

Dull, tired skin needs help now and then to support its elasticity and suppleness. Use Herbalife's Nature's Mirror® Hydrating Mask three or more times a week to help maintain your skin's hydration.

Designed especially for sensitive skin, Nature's Mirror® Hydrating Mask is formulated with plant milk complex, which helps smooth and calm the skin, in addition to algae extracts that work to firm the skin as it moisturizes. The mask also includes vitamin E, a moisturizing antioxidant, and vitamin A, which helps firm the skin around the eye area.

Did you know?

The algae extracts contained in Nature's Mirror® Hydrating Mask help firm the skin by restoring the skin's delicate moisture balance.
