

Night Companion

Refresh your skin while you sleep with Night Companion and wake up with a more youthful-looking appearance.

Night Companion is formulated with vitamin A for deep rehydration and conditioning as you rest. Night Companion also combines essential oils with other emollient-rich ingredients to soothe and nourish your skin's cells. The result is finer, more supple and radiant skin.

Night Companion combines aloe vera for anti-aging properties with vitamins to fight skin-damaging free radicals and natural oils to soften and moisturize.

Did you know?

Your skin cells need vitamins and minerals for optimal functioning, just as the rest of your body does. Vitamins A, C and E work to fight damaging free radicals that can dull the skin's appearance and lead to breakouts and blemishes. Vitamins A, C and E can help keep your skin clear and looking its best.
