

Henry S. Burdick

LOS ANGELES, CA, June 3, 2003 – Herbalife International, Inc. today announced the appointment of Henry Burdick as Vice Chairman. He was asked to become actively involved in the company by Michael O. Johnson, Herbalife's new CEO who joined the company from Disney.

Henry Burdick will play an integral role in expanding the company's new product development efforts in the areas of weight loss and nutrition. A major shareholder and member of the Herbalife Board of Directors, He will also manage and further develop the Company's medical and scientific advisory boards from which research findings and breakthroughs will be incorporated into new products. The company expects to release new products derived

from Scientific Advisory Board research in Q3, 2003.

For 35 years, Henry Burdick has been an innovative and progressive leader in the wellness industry, for such companies as Pharmavite, makers of the best-selling Nature Made brand, which he co-founded and served as chairman, president and chief executive officer; Crystal Geyser Water, a company he purchased with Otsuka Pharmaceuticals of America, and; Pharmanex, which he co-founded and served as chairman and chief executive officer. During his tenure at Pharmanex He introduced five breakthrough branded nutraceutical.

"Herbalife has the opportunity to change the health and nutrition of the world. Henry brings to us vast knowledge, experience and success from his extensive work in the field of nutrition that will accelerate advancement of our company mission," said Michael O. Johnson, Herbalife's chief executive officer. "The combination of Henry and Herbalife is a great opportunity for our company."

"I am extremely pleased to be taking on a greater role within Herbalife International at a time when the company is preparing for a new era of growth by offering new products incorporating breakthrough discoveries," said Henry Burdick, Herbalife International's vice chairman.
