

Spring Tour 2008

Hear from Herbalife's expert in Outer Nutrition!

Jacquie Carter is Herbalife's Worldwide Outer Nutrition Product Trainer.

Jacquie started working at Herbalife under Mark Hughes' leadership and has been with the Company for almost 9 years. She began her Herbalife career working in Outer Nutrition/ Personal Care Marketing where her primary functions were New Product Development and Global Product Marketing. This entailed researching new global product ideas, formulating with the Research and Development team and bringing the products to launch worldwide.

To date Jacquie has been involved with 29 global product launches including Radiant C, Herbal Aloe, NouriFusion and Skin Activator!

Jacquie's expertise in Outer Nutrition has been witnessed all over the world where she has launched and trained extensively on the benefits of Outer Nutrition through Herbalife's Skin Care, Hair Care and Body Care products. In her role as Worldwide Outer Nutrition Product Trainer, Jacquie continues to work with Research and Development and Product Marketing to deliver the absolute best products into the market place while ensuring distributors worldwide receive the most up to date product information and training available.

Jacquie has a degree in Communications, has studied personal care ingredient and technologies and product formulations at UCLA and has a diploma in Beauty Therapy.
