

HERBALIFE GETS THE CELEBRITY TREATMENT

We've been singing the praises of the Liftoff® effervescent dietary supplement since it launched in 2005, and now Grammy award winner Nelly Furtado tells People magazine that the Liftoff® product helped her get ready for the Grammys. Read about her quick pick-me-up at:

NOTE TO OUR DISTRIBUTORS: It is extremely important that we adhere, without exception, to the rules and legalities regarding celebrity endorsements. Please understand the following and act accordingly:

-Herbalife and its Independent Distributors do not sponsor Nelly Furtado.

-Herbalife and its Independent Distributors do not have the rights to use Nelly Furtado's image.

-Herbalife and its Independent Distributors cannot state or imply that Nelly Furtado endorses Liftoff or any other Herbalife products.

-Herbalife and its Independent Distributors cannot make any claims about Nelly Furtado other than merely referring to the media item mentioned above.

-Herbalife and its Independent Distributors may not reproduce the People article in whole or part.

Herbalife and its Independent Distributors may not embed links to the People article in their business Web sites unless they clearly (1) state that People does not endorse Herbalife® products or service and (2) owns all content in the linked web site.
